THE FUNBUS

The FunBus offers a highly cultural and educational journey; learning all about the chemistry, biology and history of beer and the physics behind drinking it!

Jason's teammate Martin Bayfield coined the name FunBus for Jason whilst on tour together in South Africa in 1994 and it has stuck ever since.

The FunBus is a classic double decker Routemaster bus that takes you and your guests, along with Jason and some very good friends of his on the ultimate pub-crawl as you tour the drinking spots of South West London.

Jason will serve as the head conductor for the tour, making sure guests stay refreshed throughout the journey and don't go thirsty. In addition to the drinks at each pub stop, there will be plenty of beverages available on board the FunBus to keep everyone well-hydrated!

Whether for Client Entertainment, Corporate Celebrations, Team Building & Bonding or a Private Party this unique tour is the perfect way to celebrate and (if you can handle your drink) is sure to be one to remember!
